## **Amash completes town hall tour**

GRAND RAPIDS, Mich. – Rep. Justin Amash (R-Mich.) hosted eight town hall meetings this week, making stops in each county in the Third District.

During meetings held in Sparta, Eureka, Lowell, Portland, Marshall, Battle Creek, Hastings, and Caledonia, constituents shared their concerns on a variety of issues, including the budget and appropriations process, immigration enforcement and reform, environmental regulation, and government surveillance.

Rep. Amash noted, “It is critically important to meet with constituents in person and to hear their thoughts and concerns. I want to thank everyone who attended the town halls this week.”
